3. Answer analysis

Question

What are three things you like to do on the weekend?

Answer with full sentences that includes verbs.

Your answer must contain between 3 and 40 words.

Candidate's answer

On weekends, I like to hang out with my friends, to go for a walk in Paris and to rest.

Answer Analysis

Score rationale: The candidate's answer demonstrates a basic grasp of English grammar and vocabulary suitable for the A1 level. The sentences are simple and comprehensible, with appropriate use of verbs and sentence structure.

Number of spelling mistakes: 0

Relevance of the answer: The answer is relevant to the question, as the candidate has provided three activities they enjoy doing on weekends, as requested. The response addresses the prompt adequately.

Number of grammar mistakes: 1

Question

If you could visit any country, where would you go and why?

Answer with full sentences that includes verbs.

Your answer must contain between 20 and 50 words.

Candidate's answer

I would love to visit Italy for its breathtaking landscapes and historical monuments, and for its incredible food. I would love to learn more about its history and its language.

Answer Analysis

Score rationale: The candidate's answer demonstrates a good grasp of English at the A2 level. The sentences are well-structured, and the vocabulary used is appropriate for the level.

Number of spelling mistakes: 0

Relevance of the answer: The answer is relevant to the question, as the candidate expresses their desire to visit Italy and provides reasons for their choice, such as the landscapes, historical monuments, and food.

Number of grammar mistakes: 1

Question

Write about a memorable trip you took. What did you do there?

Your answer must contain between 80 and 120 words.

Candidate's answer

I went to Greece with my family three years ago, I would easily describe it as a memorable trip : in fact, I spend some quality time trying to bond with my family, we went to an island named "Paros". We discovered incredible museums and beaches. We also had the opportunity to skydive there, which was a terrifying yet empowering experience. We also tried many restaurants and had traditional greek food. It was indeed a trip that I cherish so much.

Answer Analysis

Score rationale: The candidate's answer demonstrates a good command of vocabulary and grammar, with only a few minor errors. The response is coherent and relevant to the question.

Number of spelling mistakes: 1

Relevance of the answer: The answer is relevant to the question, as the candidate describes a memorable trip they took, including details about the location, activities, and experiences.

Number of grammar mistakes: 2

3. Answer analysis

Question

What are the benefits and drawbacks of remote work or telecommuting?

Answer with full sentences that includes verbs.

Your answer must contain between 100 and 150 words.

Candidate's answer

In my opinion, remote work can bring in fact many advantages to companies and to employees: for employees, remote work can provide a better life/work balance by bringing flexibility to them. Employees will be free to set their schedule and to juggle the way they need their personal and professional life. Furthermore, for companies, remote work might reduce costs such as electricity, office costs... which should lead companies to assist employees at home in order to keep this method efficient. On the other hand, remote work relies heavily on technology which could face technical issues and disrupt the activity. Moreover, communication problems might be encountered by employees and affect the efficiency of work.

Answer Analysis

Score rationale: The candidate's answer demonstrates a good command of the English language, with proper use of grammar, vocabulary, and sentence structure. The answer is well-structured and addresses both the benefits and drawbacks of remote work.

Relevance of the answer: The candidate's answer is relevant to the question and covers the key aspects of the benefits and drawbacks of remote work or telecommuting. The answer provides a balanced perspective on the topic.

Number of spelling mistakes: 0

Number of grammar mistakes: 2

Question

Please answer to each question in the dedicated area, using full sentences that includes verbs .

Candidate's answer

1. What are the key factors driving climate change?

Your answer must contain between 20 and 50 words.

Key factors that can drive climate change are, for example, the emissions of greenhouse gas, the uncontrolled industrial activities, the use of polluting vehicles and deforestation...

2. What can individuals do to mitigate its effects?

Your answer must contain between 20 and 50 words.

Individuals should be more aware of their actions and activities. They must reduce their carbon footprint by using more public transportations and they should start recycling... Companies should focus on developing a sustainable environment by using renewable energy sources, such as solar energy or wind energy...

Answer Analysis

Score rationale:

Q1. The answer is accepted. Reason. The candidate's answer demonstrates a good understanding of the key factors driving climate change, covering important aspects such as greenhouse gas emissions, industrial activities, transportation, and deforestation.

Q2. The answer is accepted. Reason. The candidate's answer provides some relevant suggestions for individuals and companies to mitigate the effects of climate change, but could be more detailed and specific.

Relevance of the answer:

Q1. The answer is relevant and addresses the question effectively, providing a comprehensive overview of the main factors contributing to climate change.

Q2. The answer is generally relevant, but could be improved by providing more concrete examples or strategies for individuals and companies to reduce their environmental impact.

Question

According to the text, technology has both positive and negative impacts on consumer behavior. Describe two specific positive impacts and two specific negative impacts, and provide examples to support your answer.

Your answer must contain between 40 and 80 words.

Candidate's answer

Technology has allowed globalization and its consequences are the increase of commerce and exchange things worldwide...
Enhanced convenience and efficiency: the use of Amazon
The impulsive purchases that this can make

Answer Analysis

Score rationale: The candidate's answer is incomplete and lacks sufficient detail to fully address the question. While some positive and negative impacts are mentioned, the examples provided are limited and do not demonstrate a comprehensive understanding of the topic.

Relevance of the answer: The candidate's answer partially addresses the question by mentioning some positive impacts (enhanced convenience and efficiency, globalization) and negative impacts (impulsive purchases). However, the examples provided are limited, and the answer does not fully align with the information in the reference document.

Question

Based on the text, answer to each question in the dedicated area:

Candidate's answer

1. What are some of the benefits and challenges of the rise of AI?
Your answer must contain between 20 and 40 words.

The benefits of the rise of AI are automation that will increase efficiency and create new opportunities, and innovation. Some of the challenges are : the impact on jobs and privacy, by raising concerns about job displacement and ethical implications

2. What are the potential long-term impacts of AI on society?
Your answer must contain between 15 and 35 words.

In the long term, AI is a factor of innovation and progress but if it is not carefully developed it will end up replacing humans

Answer Analysis

Score rationale:
Q1. The answer is accepted. Reason. The candidate's answer covers the main benefits and challenges of AI, demonstrating a good understanding of the topic for a B2 level.
Q2. The answer is not accepted. Reason. The candidate's answer touches on the potential long-term impacts of AI but lacks depth and detail expected for a B2 level.

Relevance of the answer:
Q1. The candidate's answer is relevant and aligns with the information provided in the reference document, covering the benefits of automation, efficiency, and innovation, as well as the challenges of job displacement and ethical implications.
Q2. The candidate's answer partially aligns with the reference document, mentioning AI's potential for innovation and progress, as well as the concern of job replacement. However, it lacks the nuance and additional impacts discussed in the document.

Question

Based on the text, answer to each question in the dedicated area:

Candidate's answer

1. How does a healthy diet support the immune system?

Your answer must contain between 10 and 30 words.

A healthy diet supports the immune system by strengthening it which will allow it to fight infections and diseases.

2. What are some other the benefits of healthy eating?

Your answer must contain between 10 and 30 words.

Healthy eating provides an improved appearance, a reduced risk of heart disease, to prevent fatigue...

3. How can we make healthy eating choices when dining out or eating at social gatherings?

Your answer must contain between 10 and 30 words.

By

Answer Analysis

Score rationale:

Q1. The answer is accepted. Reason. The candidate's answer demonstrates a good understanding of how a healthy diet supports the immune system, which is appropriate for a B1 level. The length of the answer is also within the expected range.

Q2. The answer is not accepted. Reason. The candidate's answer touches on some of the benefits of healthy eating, but it is incomplete and lacks detail. The length of the answer is also shorter than expected for a B1 level.

Q3. The answer is not accepted. Reason. The candidate's answer is incomplete and does not provide any meaningful information to address the question, which is below the expected level for B1.

Number of spelling mistakes:

Q1. 0

Q2. 0

Q3. 0

Relevance of the answer:

Q1. The candidate's answer is relevant and aligns with the information provided in the reference document, which states that a healthy diet can strengthen the immune system and help fight off infections and diseases.

Q2. The candidate's answer partially aligns with the reference document, which mentions benefits such as improved appearance, reduced risk of heart disease, and prevention of fatigue. However, the answer lacks additional details provided in the reference document.

Q3. The candidate's answer is not relevant to the question or the information provided in the reference document, which discusses strategies for making healthy eating choices when dining out or at social gatherings.

Question

Based on the text, answer to each question in the dedicated area, using complete sentences with verbs:

Candidate's answer

1.What is a sports center?

Your answer must contain between 10 and 30 words.

A sport center is a place where we can practice several activities like swimming and it also provides several facilities and catering.

2.What are the benefits of swimming?

Your answer must contain between 10 and 30 words.

Swimming offers a great way to exercise and it's considered as a way to cool off on a hot day.

Answer Analysis

Score rationale:

Q1. The answer is accepted. Reason. The candidate's answer is generally satisfactory for a CEFR level A2, as it provides a basic definition of a sports center and mentions some of its facilities and activities.

Q2. The answer is accepted. Reason. The candidate's answer is somewhat satisfactory for a CEFR level A2, as it mentions one of the benefits of swimming (exercise and cooling off), but lacks additional details or examples.

Number of spelling mistakes:

Q1. 0

Q2. 0

Relevance of the answer:

Q1. The candidate's answer is mostly relevant to the question and aligns with the information provided in the reference document, which describes a sports center as a place offering various activities and facilities.

Q2. The candidate's answer is partially relevant to the question, as it mentions the benefits of swimming as a form of exercise and a way to cool off, which aligns with the information provided in the reference document.

Question

Based on the text, answer to each question in the dedicated area:

Candidate's answer

1. How can pets reduce stress and anxiety?

Your answer must contain between 15 and 30 words.

Pets can reduce stress and anxiety by playing with them or petting them, this will release endorphins, which will boost our mood and relieve pain effects.

2. How can pets enhance emotional well-being?

Your answer must contain between 10 and 30 words.

Pets can provide love and acceptance which are crucial for our well-being. They can also help us deal with grief, depression and anxiety.

3. What are some considerations to keep in mind when choosing a pet?

Your answer must contain between 15 and 30 words.

Answer Analysis

Score rationale:

Q1. The answer is accepted. Reason. The answer is generally satisfactory for a B1 level, with a reasonable number of words and relevant content. However, there are a few minor grammar and spelling issues.

Q2. The answer is accepted. Reason. The answer is very good for a B1 level, with a good number of words, clear grammar, and relevant content.

Q3. The answer is not accepted. Reason. There is no answer provided for this question, so it cannot be evaluated.

Number of spelling mistakes:

Q1. 1

Q2. 0

Q3. 0

Relevance of the answer:

Q1. The answer is relevant and correctly explains how pets can reduce stress and anxiety, which aligns with the information provided in the reference document.

Q2. The answer accurately describes how pets can enhance emotional well-being which is consistent with the information in the reference document.

Question

Listen to the recording and answer to each question with complete sentences in the dedicated area.

Answer with a full sentence that includes a verb.

Candidate's answer

1. Where does the story take place?

Your answer must contain between 5 and 15 words.

The story takes place in a car where a family was headed to their island home.

2. What is the main event that happens in the story?

Your answer must contain between 10 and 30 words.

They were heading to an island and his brother Dominic was obnoxiously talking about his first year in university.

3. What symbol does the Stand represent in the story?

Your answer must contain between 5 and 15 words.

The Stand represented a welcome relief.

Answer Analysis

Score rationale:

Q1. The answer is accepted. Reason. The answer provides the correct location where the story takes place, which is in a car while heading to their island home. However, it could have been more detailed.

Q2. The answer is accepted. Reason. The answer captures the main event of Dominic talking about his university experience, but it could have provided more details from the audio file.

Q3. The answer is accepted. Reason. The answer correctly interprets the symbolic meaning of the Stand as representing a welcome relief from Dominic's overwhelming chatter.

Number of spelling mistakes:

Q1. 0

Q2. 0

Q3. 0

Relevance of the answer:

Q1. The answer is relevant and correctly identifies the setting of the story as taking place in a car while the family is traveling to their island home, based on the information provided in the audio file content.

Q2. The answer is partially relevant as it correctly identifies Dominic's obnoxious talking about his first year at university as the main event, but it lacks some of the specific details mentioned in the audio file content.

Q3. The answer is highly relevant and accurately captures the symbolic meaning of the Stand as a welcome relief from Dominic's overwhelming chatter, as described in the audio file content.

Question

Listen to the recording and answer to each question with complete sentences in the dedicated area.

Answer with a full sentence that includes a verb.

Candidate's answer

1. Why are digital skills becoming increasingly important for employees?

Your answer must contain between 10 and 40 words.

These digital skills are important because a lot of employees need to handle them to stay competitive. They allow employees to discover different career paths and maintain a work life balance.

2. What are two examples of digital skills mentioned in the text?

Your answer must contain between 20 and 40 words.

The digital skills mentioned are for exmaple, data analysis and digital communication.

Answer Analysis

Score rationale:

Q1. The answer is accepted. Reason. The candidate's answer demonstrates a good understanding of the importance of digital skills for employees, covering relevant points such as staying competitive, exploring career paths, and maintaining work-life balance. However, the answer could be more concise and focused.

Q2. The answer is not accepted. Reason. The candidate's answer correctly identifies two examples of digital skills mentioned in the audio file content. However, the answer is quite brief and could have provided more details or examples to demonstrate a deeper understanding of the topic.

Number of spelling mistakes:

Q1. 0

Q2. 1

Relevance of the answer:

Q1. The answer is relevant and aligns with the information provided in the audio file content about the increasing importance of digital skills for employees in the evolving work landscape.

Q2. The answer is relevant and mentions two digital skills (data analysis and digital communication) that were discussed in the audio file content.

Number of grammar mistakes:

Question

Listen to the recording and answer to each question with complete sentences in the dedicated area:

Candidate's answer

1. What are the main characteristics of AC/DC's music style?

Your answer must contain between 10 and 30 words.

AC/DC's music style can be described as a blend of blues, rock and hard rock. It is also represented as loud and proud, a testament to their rebellion spirit.

2. When did Bon Scott die?

Your answer must contain between 3 and 10 words.

Bon Scott die in 1980 and left a void in the band.

Answer Analysis

Score rationale:

Q1. The answer is accepted. Reason. The answer covers the main characteristics of AC/DC's music style as described in the audio file, but could be more detailed.

Q2. The answer is not accepted. Reason. The answer is partially correct but lacks some details mentioned in the audio file, such as Bon Scott being the original vocalist.

Relevance of the answer:

Q1. The answer is relevant and correctly describes AC/DC's music style as a blend of blues, rock, and hard rock, as well as their loud and rebellious spirit, based on the information provided in the audio file.

Q2. The answer is partially relevant as it correctly states that Bon Scott died in 1980, but it does not mention that he was the original vocalist of the band, as stated in the audio file.

Question

Listen to the recording and answer to each question with complete sentences in the dedicated area.

Answer with a full sentence that includes a verb.

Candidate's answer

1. What is the recommended first step in preparing the water for brewing tea?

Your answer must contain between 5 and 15 words.

For a bold flavor, you should use high grade lusleaf.

2. What is the key to creating a delightful cup of tea?

Your answer must contain between 5 and 15 words.

The ideal water temparature for brewing black tea is 212 degrees.

Answer Analysis

Score rationale:

Q1. The answer is not accepted. Reason. The candidate's answer contains a spelling mistake ('lusleaf' instead of 'loose-leaf') and does not provide the specific type of tea leaves required for a bold flavor.

Q2. The answer is accepted. Reason. The candidate's answer is mostly correct, with a minor spelling mistake ('temparature' instead of 'temperature'). The answer aligns with the information provided in the audio file.

Q3. The answer is accepted. Reason. The candidate's answer is correct, with no spelling or grammar mistakes. The answer matches the information provided in the audio file.

Number of spelling mistakes:

Q1. 1

Q2. 1

Q3. 0

Relevance of the answer:

Q1. The answer is not entirely relevant to the question and the audio file content. The audio file mentions using high-grade loose-leaf tea for a bold flavor, but the candidate's answer does not specify the type of tea leaves.

Q2. The answer is relevant and aligns with the information provided in the audio file regarding the ideal water temperature for brewing black tea.

Q3. The answer is fully relevant and accurate based on the information provided in the audio file about the recommended steeping time for green tea.

Question

Talk about your use of technology and media:

- Explain how technology plays a role in your daily personal life and at work.
- How do you manage your time between screen-based activities and other interests?

Your recording must last a minimum of 20 seconds.

Your recording must last a minimum of 70 seconds.

Candidate's answer transcription

Technology plays a crucial role in my daily life and at work. It actually helps me to plan my days and my work in an efficient way. And it allows me to share things about me and stay in contact with friends. And moreover, it allows me to keep in touch with news that matter to me. I am bad at managing my time between screen-based activities and other interests. I usually spend a lot of time on screen while often neglecting other of my interests. So I don't really know how to handle it.

Answer Analysis

Score rationale: The candidate's answer demonstrates a reasonable level of fluency and comprehension for a B1 level, but there are some minor grammatical errors and lack of coherence in parts of the response.

Relevance of the answer: The candidate's answer is generally relevant to the question, addressing both the role of technology in their daily life and their struggle with managing screen time. However, some parts of the response could be more focused and coherent.

Number of grammar mistakes: 3

Question

Describe a significant historical event and its relevance to the present day. How has it shaped contemporary society?

Your recording must last a minimum of 25 seconds.

Your recording must last a minimum of 110 seconds.

Candidate's answer transcription

I think that the most significant historical event that is still relevant to the present day is the revolution, the industrial revolution. In fact, it changes the way we perceive the society and we build things. So the industrial revolution allowed us to product in this way, and however it impacts our society until today, because it also affected the planet.

Answer Analysis

Score rationale: The answer shows a basic understanding of the industrial revolution and its impact, but lacks depth and detail expected at a B2 level. The response is somewhat brief and could benefit from more elaboration.

Relevance of the answer: The answer is relevant to the question as it describes a significant historical event (the industrial revolution) and its relevance to the present day by discussing its impact on society and the planet.

Question

Talk about friendship with elaborate answers:

- Describe the qualities you value in a good friend and why these values are important to you.
- Share your thoughts on resolving conflicts or misunderstandings with friends.

Your recording must last a minimum of 20 seconds.

Your recording must last a minimum of 70 seconds.

Candidate's answer transcription

I think that a good friend is described as someone who is loyal and kind and well supportive because I think that these qualities are necessary to have a good relationship with a friend because someone should be true to you and a friend is here to help you overcome problems in your life and help you to improve yourself. I think that an efficient way to resolve conflicts or misunderstandings with friends is talking because talking is the key of these problems.

Answer Analysis

Score rationale: The candidate's answer demonstrates a reasonable level of English proficiency for a B1 level, with a good grasp of vocabulary and sentence structure. However, there are a few minor grammatical errors and some room for improvement in terms of coherence and elaboration.

Number of grammar mistakes: 3

Relevance of the answer: The candidate's answer is generally relevant to the question, addressing the qualities valued in a friend and suggesting a way to resolve conflicts. However, the response could have been more detailed and focused on the specific points raised in the question.

Question

What is the achievement you are most proud of in your professional career? Why is it significant to you?

Your recording must last a minimum of 25 seconds.

Your recording must last a minimum of 110 seconds.

Candidate's answer transcription

I think that the most important achievement that I've done, I don't have a professional career, but the most significant one is the fact that I got my baccalaureate and I got a good grade on it. And I think that this reflects my whole school period of time.

Answer Analysis

Score rationale: The candidate's answer demonstrates a basic understanding of the question and provides a relevant response, albeit with some grammatical errors. However, the answer lacks the depth and complexity expected at the B2 level.

Number of grammar mistakes: 3

Relevance of the answer: The candidate's answer is relevant to the question, as they discuss their achievement of obtaining the baccalaureate with a good grade, which they consider significant in their academic career.
